

The Kids of Kadiogne Celebration Dinner was a Phenomenal Success!

Volume 10, Issue 1

November 9, 2007

This past Saturday, many members of our community gathered along with representatives and supporters of the Kids of Kadiogne Organization. This celebration launched the formal partnership between Abington Friends School and Kids of Kadiogne, and it was filled with joy and sharing. From the arts and crafts for the children, to the sounds of lively

Senegalese music, to the aroma of delicious Senegalese cuisine, to the picture taking in traditional clothing by attendees, to most importantly, the sharing of valuable conversation and meaningful relationship building, it was a tremendous evening! Abington Friends School would like to extend a heartfelt thank you to everyone who worked to make Saturday evening such a marvelous success. We look forward to our continued partnership in ensuring that children just like us receive the same opportunities for a transformative educational experience that our own children are fortunate enough to have.
