## OUR 10TH ANNIVERSARY!

Next year marks the tenth anniversary of Kids of Kadiogne. We planted seeds of hope in 2006. We nourished the seedlings with the help of our supporters. And, like this onion field in Kadiogne, our organization has flourished. Thank you!

...but we are thrilled to be helping to provide meals for some of these children in collaboration with Samusocial Senegal, an organization that provides housing, warm meals, medical care, education, and a caring community to children coming in from the street, while they work to reunite them with their families.
